

## Newwine Review

### **Mount Avoca Sauvignon Blanc 2005**

Winery : **Mount Avoca**

Region : **Pyrenees**

RRP : \$18.00

The colour is pale straw and there are very slight green tinges to the edge. The nose is an aromatic mix of fresh tropical fruit and some almost perfumed blossom.

The palate hits you with up-front acid and a refreshing pineapple-like crispness. On the mid palate and through to the finish, there is a more tropical fruit character with generous grapefruit flavours. This wine will be best enjoyed over the next 12-18 months.
