

Mount Avoca Cabernet Sauvignon 2001

Winery : **Mount Avoca**

Region : **Pyrenees**

RRP : \$21.00

Good deep colour with some brick red edges developing. The nose is showing the start of classic developed cabernet sauvignon with cedar, earthy and blackberry aromas. The palate is quite complex with layers of spicy oak and powerful cassis from the fruit. The wine has good length and although capable of a few years in bottle is very good drinking now.
